

Argosy University Donation

In June 2009, Argosy University generously donated over 180 items of furniture to be transported to Afghanistan's schools and orphanages. This was an incredible collaborative and joint effort by Argosy University, The Lamia Afghan Foundation, with the leadership of Mrs. Jan Bradley, and Dr. Nahid Aziz of Afghan Education for a Better Tomorrow.

Mr. Jim Campbell provided the transportation, drivers and the warehouse space. The furniture will be stored at Fort Pickett, VA, and will ultimately be moved to an appropriate military base for airlift to Afghanistan by the US State Department (Denton Airlift).

Thank you to Argosy University for the generous donation, Mrs. Jan Bradley, Mr. Jim Campbell and his drivers Dustin and Jerry, and AEBT Vice President Dr. Nahid Aziz for their support in making this happen.
